ACKNOWLEDGEMENTS
- I understand that all details of my medical history may be important for Dr. Harris to be aware of, and that it would be helpful to provide copies of any pertinent radiologic reports, specialist consultations, or test results.
- I also understand that it would be best to report at the time of future appointment(s) any changes to any of the information provided in this form.
- I have either completed this form myself, or Dr Harris has completed it when she discussed my medical history with me, and I understand that she may also add details at a later time that I omitted today, as we continue in the future to discuss my medical history.
